

Attrition Suggestions

1. Monitor job satisfaction and engagement levels regularly to identify dissatisfied employees.
2. Offer career advancement opportunities and internal mobility programs.
3. Improve work-life balance by providing flexible work hours or remote options.
4. Regularly review compensation packages to ensure competitiveness.
5. Address departmental attrition trends, especially in high-risk teams.
6. Promote strong leadership and supportive management practices.
7. Identify employees at risk using predictive modeling and intervene early.
